

Part of Ellis Maintenance Services Ltd.

## Environmental Policy

### Our statement of general policy is:

Ellis Maintenance Services Ltd is committed to protecting and enhancing the environment in its activities as mechanical maintenance engineers.

### PRINCIPLES OF THE ENVIRONMENTAL POLICY

The company considers the impact of its activities on the environment in all aspects of its business.

In all its activities, the company is concerned for the environmental well being of the community.

The company strives, where practical, to implement the latest environmental standards and practices to achieve continuing improvement in environmental performance and complies with all current environmental legislation and regulation.

The company protects the Health and Safety of its employees and promotes environmental awareness among them, its clients and suppliers.
